7. How to Modify / Cancel your Bets ?

7.a) To modify a particular credit just click to highlight that figure and enter the desired new figure then press Enter key.

For example:

You already placed 10 credits to Odds 10-10 on Meron side and you want to make it to 20 credits. To change it to your new desired credits, just click to highlight that particular credit and type 20 then press Enter key.

7.b) To cancel a particular amount just click to highlight that amount and type zero “0” then press Enter key.

For example:

You placed 10 credits to Odds 10-10 on Meron side and you want to cancel that credits. To cancel it just click to highlight that particular credit and type the number “0” zero then press Enter key

7.c) Word of caution. Portion of credits already placed can only be cancelled/modified if the same credit points has not found any match or there is no challenge from other players as yet.

For example:

You placed 15 credits to Odds 10-10 on Meron side and it was challenged/matched by other player/s for 10 credits only. Modifying your credits on that odds is still possible but will only return or affect the remaining five (5) unmatched credits to your running credits. In short, “nakasa ang 10 credit points ninyo” which credits can no longer be cancelled.

7.d) NOTE: All bets modification and cancellation are only possible if Betting is still Open and if:

7.d.1) The particular bet amount is not yet challenged or matched (wala pang katapat sa kabilang side) or

7.d.2) If the particular amount is bigger than the challenged or matched amount, in which case the excess credits points will be automatically returned as your unmatched credits as mentioned in Item 6.e.
